

Comparison of student populations in Germany and Austria

Administrative Data:

Author of this document

Alexander Rashed, BSc

Email-address: alexander.rashed@tuwien.ac.at

Organisation: Spatial Planning

Data used:

This is an overview of the data used in the project:

Name	MimeType	Amount	Size	Total Size	Input/Output
Table-2.5.23.csv	text/csv	1	7.20 kBytes	7.20 kBytes	Input
students.png	image/png	1	19.06 kBytes	19.06 kBytes	Output

Repository:

For this project the following repository has been chosen to preserve the outputs of the project:

Name: Permanent Hosting, Archiving and Indexing of Digital Resources and Assets

Acronym: Phaidra

Description: This site provides access to the digitised copies of the institutions collection as well as teaching material. The interface is in German, English, Italian and Serbian.

More information about the repository can be found at: <https://phaidra.univie.ac.at/>

License:

For this project, the artifacts and data will be licensed under the following license:

Name: The MIT License (MIT) (mit)

A short, permissive software license. Basically, you can do whatever you want as long as you include the original copyright and license.

For more information about the selected license, visit: <http://opensource.org/licenses/mit-license.php>
